

ATTACHMENT 3 - ASSUMPTIONS (Proposer is required to state all assumptions upon which its pricing is being determined).  
Insert as many lines as necessary to ensure all concerns are accurately expressed.

| Item # | Assumption Description |
|--------|------------------------|
| 1      |                        |
| 2      |                        |
| 3      |                        |
| 4      |                        |
| 5      |                        |
| 6      |                        |
| 7      |                        |
| 8      |                        |
| 9      |                        |
| 10     |                        |
| 11     |                        |
| 12     |                        |
| 13     |                        |
| 14     |                        |
| 15     |                        |
| 16     |                        |
| 17     |                        |
| 18     |                        |
| 19     |                        |
| 20     |                        |
